

PRO Bell'O ESPRESSO FINISH WOOD AUDIO/VIDEO CABINET

*T*his classic Espresso finish audio/video cabinet will display most Flat Panel or Micro display TVs up to 65" and up to four or more audio/video components that can be hidden behind the included glass or wood solid panel doors. The center channel speaker is hidden behind a speaker cloth paneled drop down door and there are two pull-out media storage drawers to hide your DVD or CD collection. The cabinet interior has flow through ventilation and features a CMS® Cable Management System to hide wires and interconnect cables. The PR-33 ships assembled.
